

History

2015

- Kollaborativ Ekonomi Göteborg became a official society and started to gather digital and local sharing economies in open map jams.
- A tech demo of Smarta Kartan was published as version 0.

2016

- Version 1.0 of Smartakartan (SK) was the result of a collaboration (idéburet offentligt partnerskap aka IOP) between the ideal society Kollaborativ Ekonomi Sverige (KES) (back then Kollaborativ Ekonomi Göteborg aka KEG) and The city of Gotheborg, administration for consumer- and citizen service.

2017

- SK is nominated for the consumer price Blåslampan
- SK wins the Eurocities Award in the category “participation”

2018

- SK gets the opportunity to scale up through the national program Sharing Cities Sweden as a part of Sharing City Göteborg with funding by, besides others, Vinnova.

2019

- Version 2.0 is published and the code becomes Open Source
- Nominated for SKR's, DiGG's and others' innovation price “Lätt att sprida”
- Start of SK in Sjuhärad, Malmö and Karlstad
- Improved content by support from Business Region Göteborg
- SK is 2019's sustainable project in CIO Awards.

2020

- Smartakartan version 3.0 was launched in the spring of 2020 and has been funded by the **City of Gothenburg** and the national program **Sharing Cities Sweden (SCS)**. SCS is part of the strategic innovation program **Viable Cities**, jointly funded by **Vinnova**, the **Swedish Energy Agency** (Energimyndigheten) and **FORMAS. Business Region Göteborg** has also funded sub-projects.

- Nominated for the Techarenan Challenge

2021

2022

- at some point Gävle and Stockholm joined
- Start of development of SK 4.0

2023

- Linköping joins
- First SK conference in Göteborg
- Version released as beta

2024

- Version 4.0 will be released for production
